Two different business interests have already approached the Selectmen desiring to rent the building at its present location. More may be interested when the availability becomes known. If the town denies the request of the Selectmen for permission to sell and

have the building removed, the building would then be available for lease but not at the \$300. figure which is generally regarded as ridiculously low. The Selectmen are authorized to enter into a lease for up to 5 years.

TO BENEFIT SCHOLARSHIP FUND

The movie *Never Too Late* will be shown at
Tabor Academy auditorium on March 31 at 8
P.M., as the last project of the year for the
Sippican Woman's Club Scholarship Fund.
Tickets may be purchased at the door.

The Tabor Academy students, under the chair-
manship of Mr. Jules Lucini, have been sell-
ing tickets, and the Old Rochester High School
students, with Roxanne Wood as chairman,
have also been working on this project. The
latter made posters for the event and have a
group of girls who will act as usherettes and
sell candy and soda, which was donated by
Mrs. John L. MacNeil.

Ticket chairman is Mrs. Stuart MacIntyre,
assisted by Mrs. C. Joseph Nowak, president
of the club. Others working to make this af-
fair a great success are Mrs. Ralph Winters,
treasurer; Mrs. Darrough Gurney, 2nd vice-
president; and Mrs. Frederick Tuttle, scholar-
ship chairman.

To add a festive feeling to the affair, several
Marion residents are having dinner parties
preceding the performance. Mr. James Wicken-
den is having a dinner party for the 4 students
who sell the most tickets as well as those who
have worked on the event at a later date.

VANDALS' DESTRUCTION

Mattapoisett voters will recall that the first time the comfort station was proposed for Ned's Point that it met with a resounding defeat. This was because of the deplorable condition of the comfort station at the wharf. It was felt that hoodlums would create a similar nuisance with any structure that the town might try to maintain at Veterans' Park at Ned's Point.

The vote was reversed later and last year the

WE'LL BE THERE

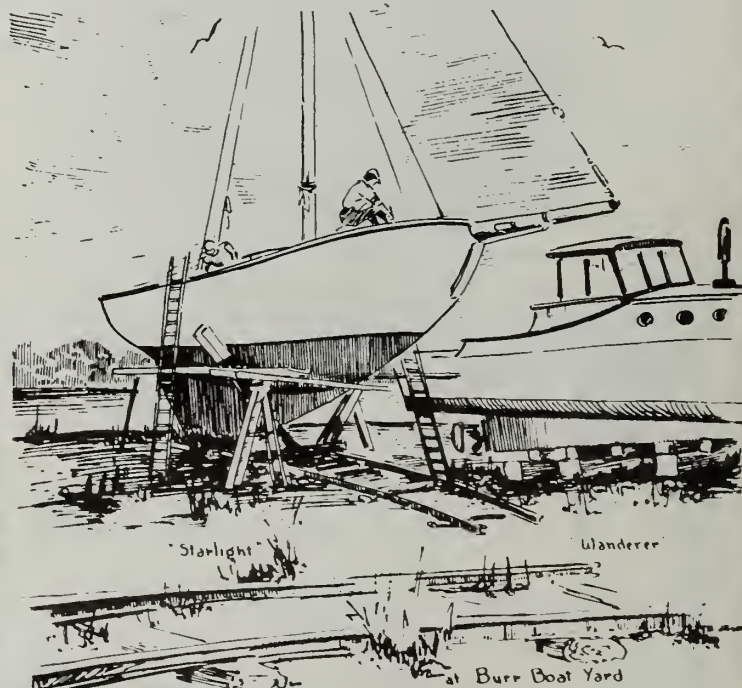

We still enjoy those band concerts just as this crowd was doing in 1954. This sketch was made on the spot - you were there perhaps.

PAST

The old Dexter Elm which only last year was felled by Dutch Elm disease. The Dexter Mill, as it once stood, is beside the elm.

The "Starlight" and the "Wanderer" as they stood on the grounds of the Burr Yard, now the Mattapoissett Boatyard. This was a Spring issue and the boats were ready for launch.

STACKPOLE HOME

ANNIVERSARY OF PRESTO PRESS

Somehow it just slips by - we never could keep track of anniversaries. A couple of weeks ago we stepped into our 14th year of publication, so you won't mind if we look back just for a moment. We started the Presto in 1954 as an original and as such it remains in spite of the many papers in neighboring towns which have patterned themselves from this one. The Presto is and will remain the only one of its kind in the world. Even we don't know what we will do or try next week and such inconsistency can't be copied.

The hurricane of 1954 came along just as the Presto got underway. This scene was as near to an on the spot drawing as you will ever see of such a storm. All the events here were scratched just an hour or two after the event. The hurricane made us late in publication for the first and only time, as current was off for one week.

The Stackpole home was a long time Mattapoisett landmark. Here in the ink drawing we showed it as it appeared in 1954, just after the hurricane. It was located where the Sands beach now stands, west of the Mattapoisett wharf.

The Lions Club members furnished the material and donated the labor to construct the summer house, so that older residents could have protection from the sun or picnickers could have protection from a sudden rain. The gift has been used and enjoyed for a number of seasons.
